Response to Amendment

1. The examiner acknowledges the applicant's submission of Amendment for Application No. 10/065,378 dated on 04 January 2005. Claims 1-2, 5-8, and 12-13 have been cancelled; claims 3-4 and 9-10 have been amended. There are 6 claims pending in the application; there are 5 independent claims and 1 dependent claim, all of which are ready for reconsideration by the examiner.

Allowable Subject Matter

2. Claims 3-4, 9-11, and 14 are allowed.

3. The following is an examiner's statement of reasons for allowance:

Claim 3 is allowable for the combination including the limitation of:

“wherein after the step of providing the responded data to the first bus, the corresponding request and the corresponding request record in the multiple-layer defer queue are deleted”.

Claim 4 is allowable for the combination including the limitation of:

“an identification code field, used to store an identification code with respect to the request;

a flag field, used to judge whether the request is one selected from the group consisting of the retry response and the defer response; and

an effective data field, used to enable the effective data field when the responded data is received”.

Claim 9 is allowable for the combination including the limitation of:

“wherein after the step of providing the responded data to the first bus, the corresponding one of the requests and the request record in the multiple-layer defer queue are deleted”.

Claim 10 is allowable for the combination including the limitation of

“an identification code field, used to store an identification code with respect to the request;

a flag field, used to judge whether the request is one selected from the group consisting of the retry response and the defer response; and

an effective data field, used to enable the effective data field when the responded data is received”.

Claim 11 is allowable for at least the reason indicated with respect to claim 10 above.

Claim 14 is allowable for the combination including the limitation of:

“the multiple-layer defer queue also provides a request record with respect to the request, the request record being used for judging whether the request is a retry response or a defer response”.

Art Unit: 2187

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
